

SLOPE TOP WALL CABINET

Features

- Machine mold with manual welding
- Special 3" wall hung design
- 18 gauge stainless steel
- Cabinets are available with hinged or sliding doors
- Adjustable shelf

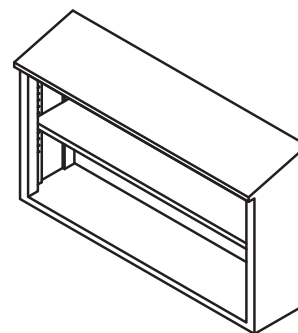

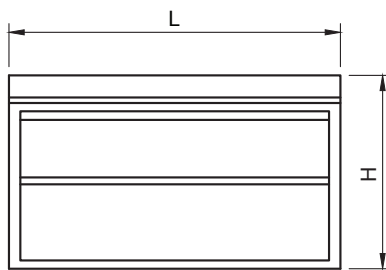

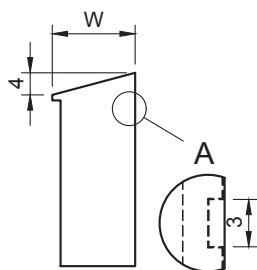

Description **Slop Top Wall Cabinet**

This wall cabinet combines a convenient adjustable mid-shelf and concealed storage to keep mixing bowls, containers, prep supplies or even small kitchen appliances close at hand. It is available with hinged or sliding door design to keep contents safe and enclosed.

This added additional storage space is perfect for your commercial work setting! The stainless steel construction ensures a sturdy, dependable unit, and combined with a sloped top, makes cleaning easy.
